

## **CHAPTER 6 RR RURAL RESIDENTIAL DISTRICT**

### **SECTION 6.01 DESCRIPTION AND PURPOSE**

This District recognizes lands that retain a relatively high proportion of agriculture and open space use but, due to population growth, soil characteristics, and related factors, experience ongoing transition to non-farm low density residential development. Due to its rural character, the Rural Residential District permits many of the uses provided for in the AR Agricultural District. Unlike the AR District, however, uses which are considered incompatible to the District's emerging residential growth are not permitted.

### **SECTION 6.02 PERMITTED USES**

Land and/or buildings in the R-R District may be used for the following purposes as Permitted Uses, subject to the approval of a site plan, in accordance with the requirements of Chapter 13.

- A. Single-family dwellings, including home occupations as regulated by Section 3.25.
- B. Farms for both general and specialized farming, together with farm dwelling and buildings and other installations useful to such farms, including roadside stands with less than two-hundred (200) square feet of sales area for produce grown on the premises.
- C. State licensed residential family care facilities; provided that such facility is not located closer than one-thousand five hundred (1,500) feet from an existing or proposed similar state licensed residential facility, including group care facilities, but not including state licensed residential facilities caring for six (6) or fewer minors.
- D. Family day care homes.
- E. Accessory buildings, structures and uses customarily incidental to a Permitted Use or Special Land Use meeting the requirements of Section 3.09.

### **SECTION 6.03 SPECIAL LAND USES**

Land and/or buildings in the R-R District may be used for the following subject to approval by the Planning Commission as a Special Land Use in accordance with procedures of Chapter 14.

- A. Outdoor recreational uses, country clubs, golf courses, riding stables, and publicly-owned athletic grounds and parks, and other similar uses, including related uses, such as snack bars, pro-shops, restaurants, and small retail shops selling goods directly related to the primary use, and other similar uses integral to the main use.
- B. Sale of animal feed, seed, fertilizers, and related farm products when conducted as part of a bona fide farming operation and when located on the premises of said farming operation.
- C. Farm market.
- D. Commercial greenhouses and nurseries.

- E. Schools, churches, libraries, parks, playgrounds and community center buildings.
